CHINNOR GOOD NEIGHBOUR SCHEME

The work of the Chinnor Good Neighbour Scheme (CGNS) continues to grow; since we started in 2011 we have been able to help 160 people in Chinnor (and surrounding villages) in a number of different ways. In our last full year we have helped our clients 350 times with odd jobs such as shopping, collecting prescriptions, getting to/from appointments (at doctors, dentists, hospitals, hairdressers, etc), or even just sitting and having a coffee and a chat.

Although we have had changes to our team of volunteers we have been able maintain volunteer numbers at around 30. Our volunteers love what they do, and as one of them said "You meet some lovely people, and it's great to be able to help them, but you're not tied to specific days or times, you can do what you want and when it suits you, plus you're not letting people down when you are not available because of holidays, etc".

So if you would like to join us as a volunteer, or if you need help in some way, please contact us on our dedicated telephone number 01844 353500 for more information.

We have been looking at ways of getting our message out to more people and are currently in the process of setting up our own website, which will hopefully be available later in the summer; in the meantime if you want more information please telephone (as above), email us at chinnorgns@gmail.com, or pop into the Parish Council Office and pick up a leaflet.
